Louisiana College is required by federal regulations to establish minimum standards to determine a student’s eligibility for federally funded financial aid programs. These programs include federal grants, federal work study, and Stafford and PLUS loans. The student must meet the minimum satisfactory progress standards in order to receive and maintain Title IV federal funds. These satisfactory progress standards apply to all students, including transfer, re-entry, and continuing, regardless of whether or not they previously received aid. For transfer or re-entry students, SAP will be reviewed and determined before aid is initially awarded, then once every academic year, after the spring semester. Students enrolling in college for the first time are considered to be making satisfactory academic progress if they meet Louisiana College admission requirements.

ALL BORROWERS READ AND COMPLETE THIS SECTION FOR ENTRANCE INTERVIEW

I understand the following information regarding my student loans. Check each box.

- 1. I must repay my loan(s) with all accrued interest and deducted fees.
- 2. I must repay my loan(s) even if I don’t complete my education, I am not satisfied with my education, or I cannot find employment.
- 3. I may prepay all or part of my loan(s) without penalty.
- 4. The minimum monthly payment is $50, but may be more depending on the amount borrowed. Repayment will begin following a six month grace period.
- 5. I have a maximum of 10 years to repay my loan(s), excluding periods of deferment and forbearance.
- 6. I may contact my holder to request information regarding other repayment options including graduated, income sensitive or extended repayment and loan consolidation.
- 7. The interest rate for my loan(s) is specified on my disclosure statement.
- 8. I will be notified in writing if my loan is transferred to another holder or servicer at a different address. I must direct all future correspondence to that new holder.
- 9. I must notify my lender or holder within 10 days if I change my address, change my name, withdraw from school, change my telephone number, change my graduation date, drop below half-time enrollment, or transfer to another school.
- 10. The Master Promissory Note (MPN) is a legally binding agreement and contains the terms and conditions of my loans. Under an MPN, I may receive more than one loan over a period of up to 10 years to pay for educational costs. Whether I may receive loans under this MPN for only one academic period, or for multiple academic periods, depends on the school I am attending. I may receive loans under this MPN from the original lender, or a lender who assumes the right to offer loans under this MPN, even if I change my school (provided the school is authorized to certify subsequent loans under the MPN and even if the guaranty agency changes). I must sign a new MPN if I wish to receive loans from a lender other than my original lender.
- 11. If I qualify, I may apply for a deferment (postponement) of my loan payments.
- 12. If I do not qualify for a deferment and am unable to make loan payments as scheduled, I may request a forbearance from the holder of my loan.
- 13. If I fail to repay my student loan, I will be considered in default and the following may result:
  - My default may be reported to a National Credit Bureau and have a negative effect on my credit rating which will remain on my record for 7 years. I may, as a result, become ineligible for credit to make major credit purchases – e.g., a new car or home or the cost of such credit may significantly increase.
  - The entire unpaid amount of my loan(s), including interest, may become due and payable immediately.
  - My federal and state income tax refunds may be withheld.
  - My wages may be garnished.
  - I may be ineligible to receive any additional federal or state financial aid funds.
  - My license to practice my profession may be revoked or not renewed.
- 14. If I have an unresolved issue about my loan, I should contact the holder of my loan. If my issue continues to be unresolved, I can contact the Federal Department of Education Student Loan Ombudsman’s Office at 1-877-557-2575 or www.ombudsman.ed.gov for assistance.

I have read this form and understand the full meaning and intent of the information.
