LOUISIANA COLLEGE PTA PROGRAM MISSION, GOALS AND OBJECTIVES

The students who complete the Physical Therapist Assistant (PTA) program at Louisiana College receive an Associate of Applied Science Degree.

Mission Statement of Louisiana College:

The mission of Louisiana College is to provide a liberal arts education, professional, and graduate programs characterized by devotion to the preeminence of the Lord Jesus, allegiance to the authority of the Holy Scriptures, dedication to academic excellence for the glory of God, and commitment to change the world for Christ by the power of the Holy Spirit.

Mission Statement Louisiana College Physical Therapist Assistant Program:

The mission of the Louisiana College Physical Therapist Assistant Program is to provide an environment and opportunity in which the three fold strands of the PTA curriculum are woven into a tapestry representing the PTA career.
The strands of the tapestry are:

- **CHRISTIAN SERVICE** - The Physical Therapist Assistant Associate of Applied Science Degree program reflects the mission of Louisiana College’s Christian service component delivered to the client. The official seal of Louisiana College bears three Latin words: Deo, Veritati, and Patriae. These words describe our school as dedicated to God, to truth and to country. The program seeks a diverse population of students who will share their talents and gifts in their growth as physical therapist assistants through Christian service by developing a spirit of altruism and healing— with reverence and love for all of life with all of those entrusted to their care and by serving as a Christian role model/compassionate health care provider to the physical therapy profession and community at large.

- **COMPETENCIES** - Competencies relative to the PTA career will be acquired upon completion of the program, initiating a commitment to a high standard of scholarship and ethical standards which reflect the institution’s mission and heritage of academic excellence. Through facilities of the institution and clinic with emphasis on technology and communication, opportunities will be provided for engagement in scholarly activities to advance the knowledge of physical therapy and an understanding of one’s role as a PTA working under the direction and supervision of a physical therapist.

- **LIFE-LONG EDUCATION** - Life-long appreciation for and furthering of education within the Physical Therapist Assistant career will inspire a commitment to achievement of advanced knowledge, skills and abilities for excellence in provision of care under the direction and supervision of a physical therapist and will assist in creating, anticipating and responding to an evolving health care system and new responsibilities.

**Philosophy**

The Louisiana College Physical Therapist Assistant (PTA) Program subscribes to and supports the mission, philosophies, values, and goals of Louisiana College and the accreditation standards established by the Commission on Accreditation in Physical Therapy Education. The Louisiana College PTA faculty and students recognize the intrinsic value and right to optimal health. These rights and values are embraced in the three fold strands of the PTA curriculum which are: Christian service, competencies relative to a Physical Therapist Assistant Career, and a lifelong commitment to the PTA career. The PTA Program at Louisiana College is committed to the highest standards of ethics, professionalism and academic excellence. The stakeholders of the PTA Program believe the PTA Program must provide a variety of didactic and clinical learning experiences which support the acquisition of knowledge, skills and behaviors necessary to practice safely and effectively under the direction and supervision of a physical therapist in order to become a vital member of the health care team.
