In order to be eligible for application, you must have:
- A bachelor’s degree from an accredited institution (must receive degree by May 2013 in order to be accepted)
- A minimum cumulative GPA of 2.6 or greater (on a 4.0 scale)
- Grade of C or higher on all Natural Science, Social Science, Math and English pre-requisites.
- No more than two repeats on any science/social science coursework.

Please note that:
- Students who have one nursing course failure at any institution will be evaluated on an individual basis.
- Students who have been dismissed from and/or denied progression in other nursing programs will not be considered for admission.

Prerequisites required for the program:
- Psychology 220  Introduction to Psychology
- Chem. 105 or 211  Introduction to Basic Inorganic Chemistry / Organic and Biological Chemistry
- Biology 225/226  Microbiology & Lab
- Psychology 230  Developmental Psychology
- Elementary Statistics  Elementary Statistics
- Biology 231/232  Human Anatomy & Physiology I with Lab
- Biology 233/234  Human Anatomy & Physiology II with Lab
- Nursing NU 210  Concepts of Nursing

*Prerequisites do not have to be completed in order to apply.

Application process:
Applications will be accepted for fall 2013 starting in September 2012. Students may apply online at [http://nursingcas.org](http://nursingcas.org). Please contact Myra McKay (mmckay@lacollege.edu), ABSN Recruitment Specialist, for more details on the application process.

International students: Please refer to www.lacollege.edu for international student admission requirements.
