File your 2022-23 FAFSA application prior to submitting this form.

A. Student Information

Student's Name:_____ LCU ID: | | | | | | | | | |

B. Information

This request is only for students who had an **approved** Dependency Override Appeal at LCU for the 2022–23 academic year. **Note:** if you previously completed a Dependency Override due to homelessness or self-supporting and at risk of homelessness or similar circumstances, please **stop** and contact the Financial Aid Office.

A student with an **approved** Dependency Override Appeal for the 2021-2022 aid year at LCU who does not meet the federal criteria for independent status on the 2022-2023 FAFSA may submit this Dependency Override Renewal Request. Upon receipt of your request, our office will determine if circumstances continue to exist for granting independent status.

I understand that if my Dependency Override Renewal Request is approved additional documents may be required to complete my financial aid application (*once LCU has updated my FAFSA application to reflect my Independent Status*). I am responsible for submitting all requested documents in a timely fashion.

C. Personal Statement – In the space below, provide a detailed explanation of the unusual & extenuating circumstances that remain unchanged, which led to your approved independent status during 2021-2022. If you require additional space, please attach pages as necessary.
