

ABSN Program Request to Reset Degree

Name _____
Last First Middle Initial

Student ID _____

Qualitative Measure (GPA)

The qualitative standard is the student's cumulative grade point average (GPA). The qualitative standard requires that as the number of hours attempted increases, the student's cumulative GPA increases. LCU students will need to achieve a cumulative GPA relative to the total number of hours attempted as outlined in the chart below:

Status	Min. Cum. GPA
Freshman: 1-25 hours earned	2.0
Sophomore: 26-59 hours earned	2.0
Junior & Senior	2.0
Graduate	3.00

ALL grades attempted will be considered. These include, but are not limited to, courses passed, courses failed, courses from which the student withdrew (officially or unofficially), repeated courses, transfer courses, and remedial/developmental coursework.

Quantitative Measure (Pace)

In calculating the quantitative measure, we will measure the "Pace" at which the student is progressing. This is done by dividing the cumulative course hours completed/earned by the cumulative/total course hours attempted.

SAP will be met IF the student is achieving the appropriate cumulative GPA (see GPA chart above) AND the Pace is **equal to 67% or higher** AND the student has not reached 150% maximum timeframe allowed for the ABSN degree program. (see Maximum Hours allowed below).

In calculating the quantitative measure or Pace, **all** hours attempted in the ABSN program will be considered. These include, but are not limited to, courses passed, courses failed, courses from which the student withdrew (officially or unofficially), repeated courses, transfer courses, and remedial/developmental coursework.

Resetting Academic Progress

The LCU SAP Policy permits students pursuing a 2nd degree to reset their academic progress ONE time while attending LCU.

A student resets his/her academic progress by changing degree programs. Once a student's major is changed the student then will have **100 additional hours** of federal eligibility to finish the new degree program. Students may not reset their academic progress more than one time while in attendance at Louisiana College. Please initial each below acknowledging you have read and understand your request to reset.

****Some students will only qualify for unsubsidized loans due to the 150% subsidized loan eligibility time limitation as stated in the Entrance Counseling****

_____ I have read and I understand the Louisiana Christian University Satisfactory Academic Progress (SAP) Policy.

_____ I have read and understand the excerpts below from the Louisiana Christian University Satisfactory Academic Progress (SAP) Policy, relating to how the hours/grades attempted will be counted towards my academic progress.

_____ I understand that I am allowed to reset my academic progress ONE time while attending Louisiana Christian University.

By signing below, I certify that I have changed degree programs and would like to request a RESET of my academic progress.
